WEATHER EMERGENCIES - BE PREPARED

RAIN & LIGHTENING STORMS

Monsoon rain showers frequently build up in the afternoon. Plan to bring a rain jacket. Closer to Flagstaff, the rains typically start between 12 PM and 1 PM.

WHAT TO DO IN A LIGHTNING STORM

If possible, get into a vehicle and wait it out, otherwise, do your best to not be the tallest object in the area. If you are with a group of people, spread out.

RIDE CANCELLATION

In the case of a severe storm, we may need to cancel the ride and shuttle riders off the course. Take your vehicle keys with you on the ride in case you are returned to the start for safety reasons.

HOW TO GET HELP

MEDICAL EMERGENCY

If you or another rider have a serious medical emergency, text or call 480-818-6574 with the location of the rider (GPS or miles into the ride). CAMRA medical staff will respond to the rider's location to treat the rider, ham radio personnel and the AZ Xterra Club will assist with communication and transporting the rider off course.

WHAT HAPPENS IF YOU CAN'T FINISH THE RIDE?

If you tucker out or have an unrepairable mechanical before SAG 1, the AZ Xterra Club Sag crew will sweep you up and transport you to SAG 1 where Tremonti Cycling & Adventures will transport you and your bike to the finish.

If you are dropping out and need a ride OR you have a minor injury but DO NOT want to be transported to a medical facility, give your ride number and name to another rider and have them report your location to a member of the MCECG Ham Radio Club.

If you need to quit after SAG 1, our roving sweeper will pick you up for a ride to the finish. Kick-back and enjoy the ride! We'll still have plenty of beer and treats for you at the finish. **Please be patient when waiting for a sweep, 65 miles is lot to cover, so it might take a while for someone to reach you.**

MEDICAL STAFF (CAMRA) / HAM RADIO (MCECG) LOCATIONS:

180 Crossing, SAG 1, SAG 2, SAG 3, and Finish. Additional support will be staggered throughout the route.

VENUE/PARKING/CAMPING

PARKING / CAMPING

We have plenty of parking and camping at Start and End Camps. RVs, tents, trailers - All are welcome. You must camp within 50 ft of the Forest Roads. You may leave your vehicle at Start Camp Saturday night (at your own risk) if you are taking the shuttle back Sunday.

TREMONTI CYCLING & ADVENTURES

Want to camp but don't have the gear or or just want to treat yourself for the weekend? Book full service with Tremonti Cycling and Adventures! Contact Steve and Cheryl Tremonti at (480) 225-0919 or tremonicyclingadventures@gmail.com. Best part? Their donating a portion of all fees back to MLC!

YOUR CAMPING GEAR

If you put your gear in the rental truck Saturday morning, it will be at the finish for you. When you get to End Camp, grab your gear & a beverage, get a shower, and get set up! Sunday morning, we'll transport your gear and your bike back to Start Camp.

CHECK-IN AT EVERY SAG STOP!

Be sure to check-in at each SAG stop. This is a requirement, so that we don't unnecessarily call your emergency contact when you're not actually missing. Your safety is our first priority, so you MUST CHECK-IN! If you DROP, you must tell a course official (ham radio/xterra group/sag stop).

E-BIKES

Class 1 E-bikes only. No throttles! CHARGE YOUR BATTERY and manage it appropriately!

RAFFLE AND MERCHANDISE TENTS

If you raised \$\$ before the ride or have donations to turn in, be sure to make your way to the raffle tent to redeem your tickets and enter the raffle. Don't forget to bring CASH/CHECK/CARD to load up on more raffle tickets and purchase FLAG2GC merchandise.

SALT FIRE HAPPY HOUR

Once you arrive at End Camp, check-in at the Saltfire Brewing tent to get your reusable custom FLAG2GC souvenir cup. You'll want it for beverages throughout the weekend. Don't forget your ID if you intend to drink any beer. There will also be snacks available upon arrival until dinner, catered by the Swiss Grill, is ready.

MASSAGE

Table massages will be available at End Camp starting at \$20 per 15 minutes.

MEALS

Family and friends are welcome to join for food and beverage Saturday, and breakfast on Sunday for \$40, or \$15 if under the age of 18. The ADULT guest pass includes beer AND a FLAG2GC beer cup. If you haven't already purchased a guest pass, you can purchase one at the raffle/merchandise tent.

CAMPFIRES

Campfires are PROHIBITED due to Coconino and Kaibab National Forests' fire restrictions.

DOGS

Dogs are welcome but **MUST** be on a leash at all times. Please be courteous to others and bring poo bags to clean-up after them. Dogs are **NOT** allowed near our common eating areas.

WATER

Drinking water will be available but there is no potable water source onsite for use while camping. Come prepared.

SHOWERS

Showers will be operational from 1:00 - 5:00 pm. If you finish after the 5pm, you must beg for the mercy of the shower girls.

WASTE REDUCTION

Our goal is to reduce the amount of landfill waste and minimize our impact on the environment. We encourage everyone to bring reusable items whenever possible. We encourage the **LEAVE NO TRACE** principles so please pack up your trash around your campsite before you leave. Pack it in, pack it out!

Please place any recyclables in the available recycle bins.

WHY WE DO THIS

All proceeds from this event goes to Marine League Charities (MLC) of Northern Arizona. Through this event, our riders, sponsors, and guests bring joy and hope to thousands of youth through MLC funded programs: Toys for Tots, Flagstaff Youth Program, and the Coconino Community College Scholarship Endowment. This ride would not be possible without the donations from ALL of our sponsors and the funds YOU raise! **THANK YOU!**
